### Milestones Ministry at St Paul's—this month:

First Step: Allows children and their families, taking their first steps into Child and Family Ministry, to have a fun and memorable experience together at church. They learn how important they are to our church community and explore the church and its many functions through a church treasure hunt! Find more at <http://www.stpaulsboxhillfish.com/first-step.html>

Beginning School: Provides the opportunity to share with others the excitement and fears around beginning school, with practical ideas of how to support each other, including regularly sharing of highs, lows and prayer. Find more at <http://www.stpaulsboxhillfish.com/beginning-school.html>
