

Today is the 10th Sunday after Pentecost.

Following Jesus isn't always easy. Why?
But we know that Jesus is always with us.

In God's House

We come to God's house to:

- + praise Him
- + pray to Him
- + and to listen to His Word.

Look at these children in church. Try to guess what they are doing. Then draw a picture of *you* in church. What are *you* doing?
