

# Today is the 12<sup>th</sup> Sunday after Pentecost.

Name: \_\_\_\_\_

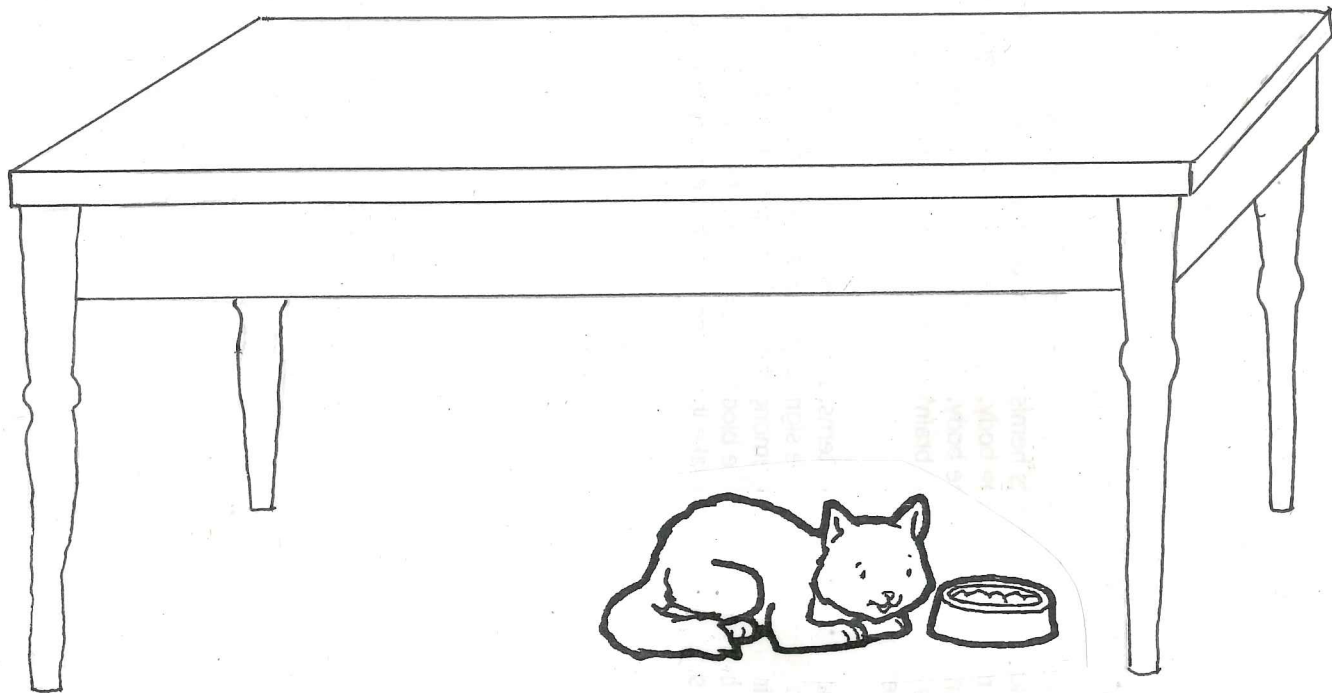

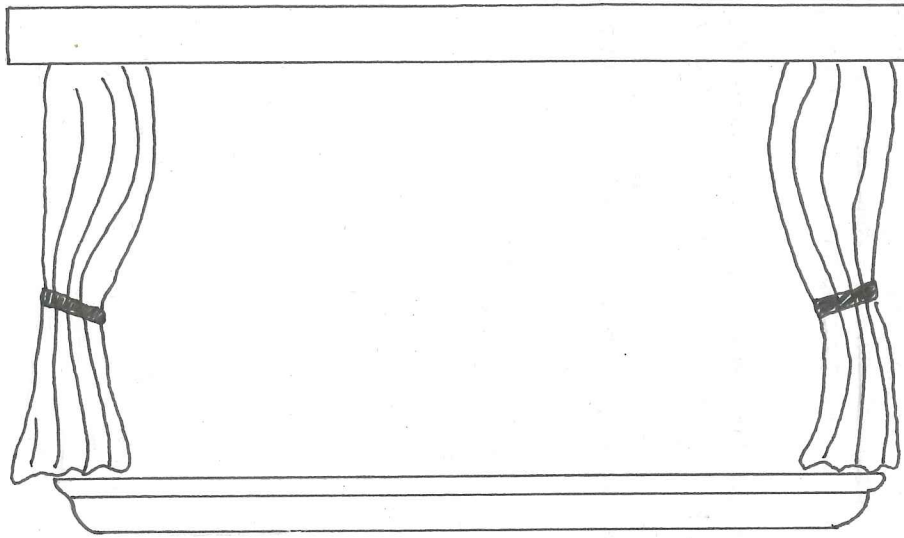

Follow each line to find the way each child helps his or her family.  
(You may use a different colored crayon to follow each line!)

Helping the people in our families is a way to do good!  
Our Bible says, "Do not forget to do good" (Hebrews 13:16).

Draw a picture of yourself and a job you do to help people in your family.

Draw some of your favourite food on the table.  
Who could you invite to share this food? Jesus wants us to be kind to those who really need kindness, like the sad or the lonely. Draw yourself and someone you know who you could be kind to sharing this food.
